

Pound Junior High in Lincoln, with their teachers. Would you please stand and be recognized by your Legislature. Senator Lynch, to speak to the motion to overrule the agenda.

SENATOR LYNCH: Mr. Chairman and members, I would just like to stand in support of Senator Hall's request to bring this back for consideration and striking the amendment he offered. We have a fast track here. Things move very quickly. Sometimes they move a little too quickly. This is simply one of those examples. I'm halfway familiar with this kind of circumstance, this kind of jurisdiction concern, this kind of trade and this kind of work and what he is doing is the right thing to do and I appreciate what he is doing and, hopefully, you would also support his effort to overrule and get those 30 votes. Thanks.

SENATOR LINDSAY: Thank you, Senator Lynch. Anyone wishing to speak to the motion? Senator Hall, do you wish to close? Senator Hall waives closing. The question is, shall the agenda be overruled to place LB 36 on the agenda? All those in favor vote aye, those opposed vote nay. Have you all voted? Record, Mr. Clerk.

CLERK: 32 ayes, 0 nays, Mr. President, to overrule the agenda.

SENATOR LINDSAY: The agenda is overruled. LB 36 is before us. Mr. Clerk.

CLERK: Mr. President, Senator Hall would move to return the bill to Select File for a specific amendment. (FA28 appears on page 660 of the Legislative Journal.)

SENATOR LINDSAY: Senator Hall.

SENATOR HALL: Thank you, Mr. President, and members, the motion to return to Select File takes 25 votes and then the opportunity will be before us to address this specific amendment which strikes the amendment I offered and was adopted by this body on Monday.

SENATOR LINDSAY: Questions, or anybody else wishing to speak to the motion? Senator Hall waives closing. The motion is to return LB 36 for a specific amendment. All those in favor vote aye, those opposed vote nay. Have you all voted? Record, Mr. Clerk.
